## IN THE PITS

by Mike Laible

The beginning of a new year and just maybe this year -----, nah not gonna say it. I don't know about the rest of you guys but I am just gonna be honest – I miss seeing all you guys at the field. Its really starting to get to me. I have joined Alvin but only been out a couple of times. I have visited Texas City a few times and will join this year. But I sure miss the 5-10 minute drive to do a quick 2-3 flights and visiting with everyone. Its like the brotherhood has been dispersed. Hope to see you at the January meeting.

For the third year I had to give up the WOJSC date. Alvin used this date for the giant scale fly-in. We should support them on this.

We had our Holiday Party at the old Harris county building. Thanks to everyone that help. Turned out to be a nice event. On another note, I received info from a couple members that they never received the invite. This I apologize for. The mass email list seems to be hit and miss. Because of this I have been using a manual list in the blind copy. I guess time slipped away and I forgot to do this.

Charlie has worked on the new website and has put together another email list that seems

to work better. Within the next couple of months Charlie will have the new website up and running, I believe we will use [www.jscrcc.org](http://www.jscrcc.org). We will still carry the \*.com with a headline pointing to the new link. More info at the next meeting

We can only hope we get to fly at JSC soon. Seems like more and more people are moving to remote working but I know the center wants to get people back to work in person, local. I am going to float the idea of small groups and let them know first round will be vaccinated.

We will be meeting at Lone Star Flight Museum again this month, 7 PM same conference room. Hope to see everyone there.

That's all for now.

*Remember, never stop building and never stop flying. Godspeed and safe landings,*

Mike

## December Holiday Party

by Mike Laible, photos by Fitz and Charlie

The pics below are from the holiday party. It was a nice time and everyone had fun. I have to admit it was nice to be back at the Harris County Building.

Some of the side dishes everyone bought.

The door prizes and ornament exchange

Now what are the rules for the ornament exchange

Rex, really, you need to keep the model in line of sight

Yah Bro, you're a bandit.

I'm not joking, my Dad had a Cub land on top of his Cub

Really, that new model was only \$50

I'm not joking, a horse ate my plane

Sure.

He wont have that long.

Where's the Bourbon.

Keith Fontenot holding up his nice white elephant gift, he didn't have it long!!

Merry Christmas everyone

Charlie and Lillian enjoyin the evening. These two deserve a big thank you for pulling this together. Cheers everyone.
