

Hooray

MEETING NOTICE and

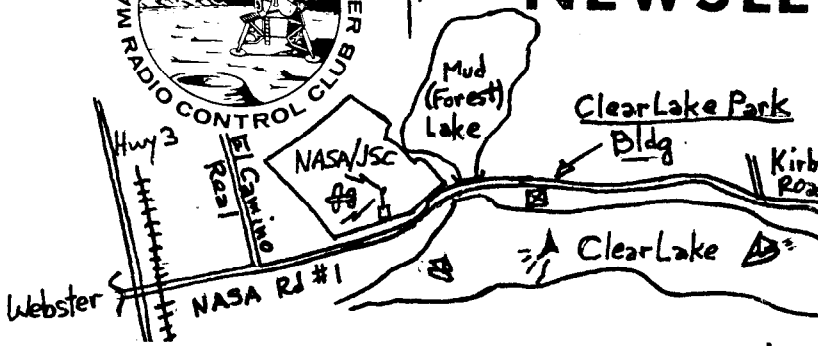

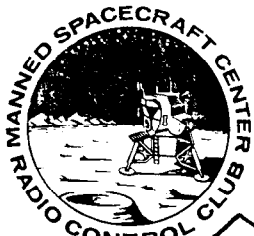

NEWSLETTER

DATE: MAY 12

TIME: 7:00 PM

PLACE: GILRUTH CENTER

PROGRAM: BBQ

PRESIDENTS CORNER

Next Club meeting is the BarBQ dinner at Gilruth Center. If your name and money are not on the list by MAY 9th you don't get to eat. We are required to let the caterer know how many people by that date so they know how much food to prepare. Call me at 471-0642, Henry Lee at 481-9062, or Donna White at 332-6898 to get your name on the list.

I guess I walked away with the Eye Bolt award honors for March, for my outstanding demonstration of winglers flight of a beginners aircraft. This brings up a safety point. Lets make a concerted effort to fly well within the field area, no flying over the rocket display or any NASA buildings. This way if a mechanical or structural failure occur we eliminate or reduce the chance of personel injury or property damage.

Good flying weather is fast approaching and many new or inexperienced people are showing up at the field to fly. Mike Baker, Chris Lee and I are doing what we can to help them, But we need help from some of you experienced people, by offering to help the beginner, he may be too timid to ask.

- DAVE -

CONTEST

Check on Glider Contest. May 21 and 22. Hawks and M.S.C.R.C.C.

SAFETY

O'K you guy's Daylite/savings is here and where are you???? On a more serious note; Frequency Control - A reminder when you take a pin, leave a field pass. "PIN FOR A PASS"!!! Please before you rev-it-up check the Propwash, Don't blow Gravel on somebody's equipment and plane. L.G.F. (Let's go fly).

EVENTS

Next month's meeting will be at the Gilruth center with B.B.Q. Ya'll come and enjoy. Cost for club members 5.00/2 tickets.

MOTM

Falcon 56, powered by K & B 40, GOOD JOB! Sorry I don't have the owner's name.

HELFPULL HINTS

For all you new, learning, or rusty pilot's; if you need help, ask somebody. If you have a question about rules or field layout, ask somebody. This guy "SOMEBODY" will be more than happy to help. Somebody know's he was there once (or still is) himself.

EAA FLY-IN AND R/C FLY

July 23rd and 24th at the Calhoun County Airport in Port Lavaca, TX; The Calhoun County EAA Chapter #340 Victoria R/C Club will be sponsening scale rally, open fun fly, air show of Full scaled planes, fishing, and camping at airport with pancake breakfast in hanger and lots more FUN. Call Mike Baker for more details at 480-2578.

NOTE

I wish to take this opportunity to apologize to all the members for my remarks during the April meeting relative to College Students Membership Dues. It was one of those cases where I should have done some thinking before talking. I assure the Club that it will not happen again.

The Club has been a source of pleasure to me over the past 20 yrs. It is my desire that each of you will benefit, as I have, from being a member. Most clubs stay healthy when there are a lot of young members among the old timers. I'm glad to know that is the case with MSC/RCC.

Once again, please accept my apology. May each of you have many years of enjoyment from the wonderful sport and hobby of flying and building model airplanes.

Thank You

- John Kiker -
