## WHAT GOES UP ...

Well, it's time for another newsletter and a final reminder that the Joint Scale Meet is coming up fast. So get those planes together and polish up those volunteer caps because we're going to need you. To the few people that showed up for the judge's meeting on the 22nd at the Prop-Nuts field, I say thank you. I also wish to thank Tom Street for putting on the demo flights for us. To all the judges that didn't show up, you better read the rule books thoroughly!!

Also don't forget that HAMCI needs to have volunteers for the National Rally. They need lots of people for short 1 - 2 hour shifts. That means you can go help and then fly. I don't think you want to miss this one. Call Craig York at 644-4362 to schedule time to help.

Since we're talking about Craig, HAMCI would like to have a phone list of the club members. If I understand correctly, this list would not be given out to anyone. It would only be used for advertising short notice events if needed. If you don't want your phone number listed, then call Craig at the above number. Otherwise, we will let him give the numbers to HAMCI at their next meeting which is roughly 3 weeks after ours.

On another note, I have noticed that the fuel supply is low among our club distributors. I have taken it upon myself to order some more. Hopefully I will have it by the next meeting.

Well that is about it for this month. Hope to see you at the scale meet...

Mike Goza

### MINUTES FOR THE APRIL MSC/RCC MEETING

On April 12, 1990 the MSCRCC monthly meeting was called to order by president Mike Goza. The minutes of the previous meeting were accepted as printed in the newsletter.

#### Old Business:

Volunteers are still needed for the AMA National Rally. The concessions area needs 15 people per day to work and donations of cakes, brownies etc. A club member who is a certified peace officer is also needed to volunteer.

HAMCI would like a phone list of our membership if no one objects.

The possibility of having a trade show here was discussed.

A map to Scobee field will be placed in a future newsletter.

#### New Business:

Bay Area Aero Club would like to have a flying get together for both full size and model aircraft. This requires an AMA sanction. The event was passed by vote.

Bob bought model of the month trophies. Thanks were expressed.

A meeting of scale contest judges was set for April 22nd at the Prop Nuts swap meet.

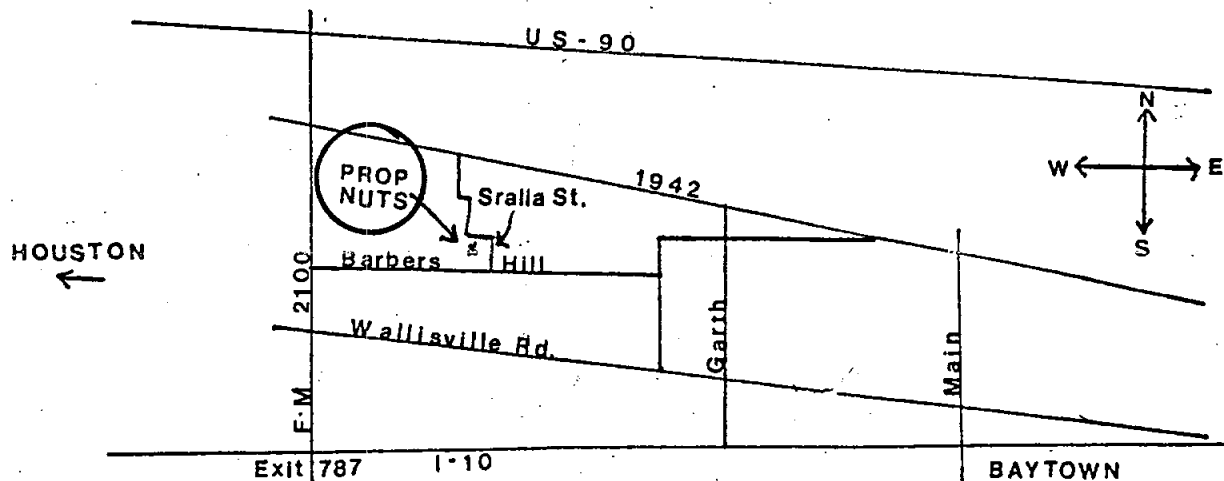

#### Model of the Month

Model of the Month was won by Ed Copeland for his Waco.
