July 4, 1975

Meeting Notice:

Where: Southwestern Savings Building
When: July 10, 1975; 7:30 p.m.
Program: Film & slides of Patten contest

AMA Club #617

We extend our thanks to Jim Mathenia for the food and drinks. As president he has his fingers in everything. Thanks, Jim.

New Members: We have arrived at 100 in the club! How many clubs in the nation can make this statement? So far there have been no major difficulties with all of us in the club so let's keep growing.

97. Oscar Dabney 495-0427 99. Larry D. Smith 649-4497
98. Dale Sherman 488-6616 100. Frank Werle 332-2364

Note: Paul Claeys number has been changed to 488-6407.

Model of the Month was won by Melvin Reed and his P-51. This plane has operating flaps and retractable gear to include the tailwheel. This is truly a great effort. Let's see what the rest of us have been doing--bring your new plane in this meeting.

Bill Winter, editor of Model Aviation, has written asking for designs for publication in the magazine. He says to first write them giving general info before submitting a full blown article. His address is the same as the AMA HQ. I will have his letter at the meeting.

Swap List: as of July 3, 1975.

Art Arro 538-1643

Midwest Astro-Cat (.29-.60) Foam wing covered	\$30.00
K&B Front Rotor .40 RC w/ Perry carb,	regular 30.00

Ignition battery charger 3.00

walter Laich 444-3665

Fournier RF-4 powered sailplane kit	30.00
Dart Cart profile RC kit (29-.40)	20.00

The Helicopter Rodeo was a great success. Mike Gaudiano did a fine job of organizing the meet. All who helped also should be complimented as everything went well. We had 13 enteries and saw some fine RC flying. The T.V. coverage was very good, too. I think we should be proud of the club for such a good showing.

One hundred members, jokingly this is what the officers were shooting for when we took office. Well, we made it and I feel that we can only have a better club for all of the experience of all of us. We always have someone ready to take up the slack in any situation. We do need to make a special effort to get to know everyone. Wear your name tag--if you still are waiting for yours then introduce yourself. Let's be one big, happy family, not a collection of small groups.
