

# THE RADIO CONTROL FLIER

THE MSC-RCC NEWSLETTER

EDITOR: STEVE ROTHSTEIN 488-5674

NEXT MEETING: AUG 14, 1986 7:30 P.M.  
LOCATION: CLEAR LAKE PARK BLDG

## NEWS FLASHES

The club newsletter will now be put out just after each meeting. This means that all articles will need to be turned in by the meeting night. No articles or ads will make the newsletter after the meeting night. Turn all articles in to Steve Rothstein, 2011 Redway Lane, Houston, Tx, 77062 or call 488-5674. Also please note the new format and title. Let me know what you think about these changes.

The club now has a new frequency control tree. It was constructed by Dennis Smerz. Thanks Dennis. To find out more about the groupings of frequencies, come to our next meeting.

In case you haven't heard yet, Mike and Julie Baker are now the proud parents of a baby girl, Michelle. According to Mike, Michelle was born at about 6:45 P.M. on the night of our last meeting. He added that that was why he missed the meeting.

Enclosed is a phone list for all club members. If your number is wrong or not listed, please contact Steve Rothstein. I would like to keep an accurate list. This also applies if you have not been receiving your newsletter, or if the address is wrong.

There will be a CLUB ONLY FUN FLY on Saturday August 23. Registration will start at 8:30 a.m. with flights starting at 9:00.

The contest will consist of three flights, one climb-and-glide, one flight with 3 rolls, 3 loops, and 3 spins, and one separate flight for a spot landing. A handicap system will be used to equalize experts and beginners. Help will be available for beginners to fly with, if needed. All club members are encouraged to attend. Rules will be finalized later, but prizes will be awarded. Contact Steve Rothstein, or Mike Baker if you are interested in flying.

## CLASSIFIED ADS

FOR SALE: 1 O.S. 40 FP engine like new  
1 four channel Futaba  
black case radio with four  
servos and new receiver batteries.

Call Larry Caldwell at 554-6340

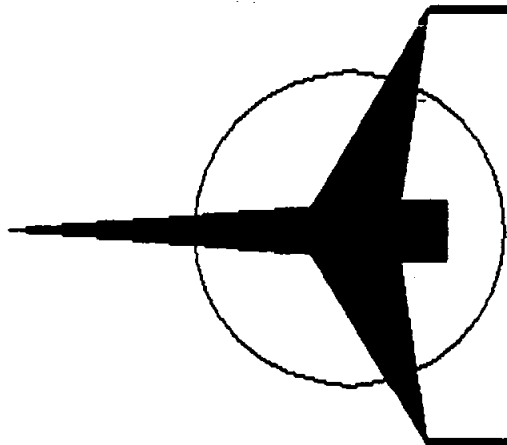

NEEDED BY THE CLUB. The club needs a  
volunteer to hold  
the club hats and  
shirts. Lenny Magill is holding them now and  
would like a replacement. Please contact  
Lenny at the meeting if you can do this  
favor to the club.

THE DATE OF THE NEW DATE  
 Scobee Memorial Flying Field in  
 Cullen/Barker Park is scheduled for  
 Saturday, August 16. The ceremonies start  
 at 10:00 a.m. and will be followed by  
 demonstration flights. Just follow the map  
 below to get to the field. Please wear  
 your hats, shirts, and nametags. I hope to  
 see a good turnout from our club there.
