## PILOT TO CREW...

We have a lot of activities going on this month. First, please find attached your voting ballot of 1989 club officers. Please take a few minutes out of your time and vote for the nominees of your choice. You may have noticed that the nominees are slim. You can write-in a candidate of your choice, but please confirm it with that individual first. Second, we have our "MSC/RCC ANNUAL AUCTION" on Thursday, October 13. It appears from the community feed-back, there is expected to be a good turnout this year. Be there; it's a lot of fun and who knows you might find that special "do-dad" you have been searching for. Third, don't forget the "TRI-CLUB" fun fly and cookout on October 23rd. PROPNUITS is the host and the JETERO club and MSC/RCC are the guests this year. Let's be there for some good flying, good food, and interesting conversations. Forth, the HAMCI Fun-Fly contest is still "up-in-the-air" (oqooh!). Steve Hunter is trying to find out if the date has been changed again due to clubs not being able to get their "team" together. Stay tuned!!!

That is it for now; see you at the Fun-Fly and the Auction.

## ABOUT THE BALLOT

Completed ballots can be turned in at the auction meeting this Thursday or at the next regularly scheduled meeting on November 8th. If you will not be attending either of these meetings, complete your ballot, fold and staple so that the mailing address is showing, and mail to Dave Hoffman in time for him to receive it prior to the November meeting. The ballot is pre-addressed, but don't forget a stamp.
