November 1990

The Newsletter of the *Manned Space Center Radio Control Club*

WHAT GOES UP...

Well its that time of year again. We need new club officers for the coming year. Last month, I asked members to nominate people by phone or mail or meeting with me. That didn't work too well. I had only one response from Dave Hoffman for which I am greatful. Unfortunately, he like myself was unable to find a nomination for President until just before press time for this newsletter. Thus, we now have a slate of potential 1991 club officers to submit to the membership.

What we don't have is very much time left for voting. We need to be installing the new officers at the upcoming club meeting. Considering the difficulty experienced in coming up with this ballot of willing potential officers, serious doubt exists as to any challenges for any of the positions, but should any exist there is still time to vote write-ins either by phone to Dave Hoffman's business phone (attended during normal business hours and accepting recorded messages at all other times) up until 5:00 PM on Thursday, 8th of November (that's the club meeting night) or by voting in person at the club meeting itself. Ballots will be available at the meeting up through intermission time.

During intermission the physical ballots and the phoned in votes will be tallied, and the winners announced and installed when the meeting is continued. Please, there won't be much time to vote unless you plan to be at the meeting. If you plan to be absent from the meeting, please make your choices known by calling Dave Hoffman's phone, 497-1945, and leaving your vote. PLEASE, have your write-in candidate's permission before entering your write-in vote.

Well that's it for now. Don't forget to purchase your tickets for the club Christmas party in December. It's one not to be missed! Till next time...

Mike Goza

**NEXT MEETING
THIS THURSDAY
NOVEMBER 8th
at 7:30 PM**
in the Clear Lake Park Building

BALLOT * MSC/RCC 1990-1991 TERM

PRESIDENT:

1. Charles Copeland
2. Write-in: _____

VICE PRESIDENT:

1. Jerry Hajek Jr.
2. Write-in: _____

Notice ! The club renewal package is going out this week. This years, the AMA renewal application requires your signature in order for your insurance to be in effect. Please do not renew directly with AMA, but send your check and signed renewal application to Dave Hoffman for verification first. Dave will forward your check and form to AMA. This is the only way that the club can be certain that each of its members has effective individual insurance in force, a requirement needed for issuance of your new field pass.

Last month's auction netted the club \$139.00.

Dave Hoffman wishes to express his appreciation to those members who expressed their sympathy to his wife on the death of her father on the 17th of October.

Notice ! The Christmas Banquet at Louie's on the Lake on December 8th may be in serious trouble. To date, 49 tickets of a maximum of 100 have been reserved. The minimum number of dinners required by Louie's is 80, so as things now stand, the club would have to purchase outright 31 dinners which would not be eaten just to subsidize the 49 reservations now on hand. In plain words, we need 31 more reservations or it would be a financial disaster to the club treasury to continue with the present turn-out. The club stands to lose its \$400 deposit to Louie's if it cancels out, but could end up spending another \$2,000 to try to keep things going with only a 50% turn-out. A decision will have to be made at this coming meeting, so if you want to attend but have been waiting till the last minute to make your reservations, its here.
