December 2006

Next Meeting – Christmas Party, December 14, 2006, Clear Lake Park Building – 7:00 PM

In The Pits

By Michael Laible, President

Well, it is already December. WOW, time flies. Coming up this month, December 14th, is the Annual JSCRCC Christmas Party. The rules are simple. Bring your favorite side dish and have fun. NO BUSINESS from the president.

Well, the only business will be counting the votes for Model of the Year. Yes, bring your Model of the Month 2006 winner and try for the grand prize. The prizes are \$100 for 1st, \$50 for second, and \$25 for third. The only rules are the plane must have flown and is still flyable. A recap of the winners are:

Bill Swchander

Mike Laible

Danny Williams

Herman Burton

Renee Saenz

Don White

Ken White

Bill Swchander

Well, what a slate of models. This has to be the best club to be part of, what skilled craftsman. You know I am biased for that April MOM to win. However, I will have to admit I need to change the rules for my entry. From the picture below it doesn't look like its going to fly again.

The fuselage is in there somewhere.

Yes, the Hellcat hit its demise. It was truly a sad day. Knowing the structural problems I have had there are no plans to rebuild.

I am thinking of getting the Don Smith Hellcat plans and using the same equipment. The engine was damaged and will need about \$200 worth of repairs. Oh well, see you at the Christmas Party!!!!

Mike

November meeting minutes

The November meeting was dedicated to the Swap Shop and no official business was undertaken.

Club Records

By: Charlie Teixeira, Editor

Speaking of setting records (??) Renee Saenz sent a link to Maynard Hill's web site where he discusses his attempts (and success) at setting a record for distance and duration by completing a transatlantic flight starting from Newfoundland. He and his team built and flew 5 models, the last of which was successful, flew 1881 miles taking 38 hours and 52 minutes. His web site provides many details and photos and is worth checking out how this amazing endeavor was accomplished. Check it out at <http://www.modelaircraft.org/mag/mhill/hillindex.htm>

Membership Renewal Time!

If you haven't received your renewal packet or haven't renewed as you are reading this-- **renew your JSCRCC club membership NOW**. A form is enclosed with this newsletter in case you didn't receive the form in the mail or misplaced it.

Anyone who does not renew by the middle of December will not be included on the membership list Hoffman will supply to NASA security.

If you are not on the list--you will not be able to fly in January until the list is updated with NASA Security--which can take from one to four weeks after you renew.

New membership cards are in the process of being printed. **Only new 2007 cards will be recognized by security beginning 1-1-06.** There will **NOT** be the overlap of cards that we had in past years. Also make sure you take care of your AMA dues. If you renew your AMA membership on your own, remember to include a copy of your membership card along with your club renewal.

All renewal forms should be mailed to Dave Hoffman, 412 W. Pasadena Blvd, Deer Park TX, 77536-4864.

For Sale

*JSCRCC Annual
Christmas Party
December 14, 2006
7:00 PM*

The club will furnish meat, bread, drinks and plastic ware. Members are requested to bring a finger food, dip, or favorite desert. The party is open to all members, their family and if you wish a guest.

Also during the party, the Model of the Year (MOY) will be selected. To be considered for MOY, the model must have been a Model of the Month in the current year, be present, have flown, and still be flyable. Only club members at the Christmas party will be eligible to vote for MOY. Prizes will be \$100, \$50, and \$25 for 1st, 2nd and 3^d places respectively.
