Pilot To Crew...

Two major events are in our near future. The first is our annual "auction" to be held at our October meeting (13th). Our club secretary, Craig York, is organizing and will be running the show again this year. Spread the word and get ready to buy and sell the "goodies". The next event is the election of club officers. **NOMINEES** for President, Vice-president, Treasurer and Secretary are needed to prepare election ballots which will be mailed to each club member. Officers are to be elected for a one year term, and will be installed at the November meeting. Please have your nominations ready for the September 8th meeting and be sure to check with the individual that he/she will accept the nomination, and if elected, will serve in the elected office for the 1989 term.

Now that the weather has cooled, we need to finalize our club "team" and practice for the upcoming HAMCI "Club Team Fun-Fly" on October 8th and 9th. That event is now only a month away.

Just a note to start thinking about an annual Banquet and/or our Christmas Party in December.

ENTERTAINMENT

Well, the videotape of "Wings Over Houston" finally got shown at last month's meeting. That program had been scheduled as the entertainment portion of our meeting several times this year, but somehow managed to get preempted each time. You might say we were two months early for this year's show.

Entertainment for the September club meeting will be another videotape presentation to be selected by the members present.

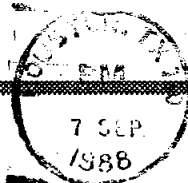

MODEL OF THE MONTH

Last month's model of the month winner was Mike Goza with his SCHLUTER helicopter.
